## PIAF FILM SEASON

### Days and Clouds ★★★★★

Italian-made drama about a middle-class Genoa couple whose cosy life is shattered by unemployment was made well before the global financial meltdown but speaks to the present moment more than any film you'll see in the coming months. Nobody goes hungry but Silvio Soldini's quiet, artful follow-up to his much-loved *Bread and Tulips* is a reminder of how much our identities are wrapped up in our work. At the Joondalup Pines tonight and tomorrow night at 8.30. Rated M. (Mark Naglazas)
